

480.8 Local ordinances and regulations unaffected.

This chapter does not affect or impair any local ordinances or other provisions of law requiring permits to be obtained before excavation. However, a permit issued by any governing body does not relieve the excavator from complying with the requirements of this chapter, unless the governing body is the excavator and the governing body and the operator have agreed in writing to waive notification under this chapter. However, such an agreement shall not be considered in the issuance of any required permit.
